

Please do not allow LPFM stations to take priority over current FM translator service. K-LOVE (94.7, 94.9 and 105.3) is the only family-friendly programming in our area that our whole family may listen to. K-LOVE serves our community by providing wholesome entertainment and by keeping us aware of current news events. If K-LOVE were displaced by an LPFM broadcaster, our community would lose a vital source of positive and encouraging programming. It is in the public interest to have wholesome entertainment available that families can enjoy together. Please keep K-LOVE.
